P.S.

As regards the list
of names ^(mine) on Mr. Whelan's
Register over and above
those on my list I have
not received subscriptions for
any of these, but I should think
the "St. Joseph" mentioned is one
& the same name ^{as that} for which
Mr. Whelan handed me a
Sub for 10/- and shown on
my letter as St. Jos. Smith.

Assuming this is so, Mr. W.
would therefore have to account
for the remaining eight Subs
and I suggest you contact
with him direct. At our last
meeting he promised to write me
and square all up, but I
haven't heard from him. I know
he is busy - but perhaps he'll
take more notice of you

He gave me note of another name which should be on his register
which I have not shown on your list - J.B. HEALEY
